Program Length

“The only person you are destined to become is the person you decide to be.”

-Ralph Waldo Emerson

*Ideal For Young Professionals
Seeking to Identify and Transform
their “Why” into Action*

Program Outline

Intensive Two Day Personal Growth and Leadership Immersion Supported by Personal Coaching

DAY 1 | UNLEASHING 'YOU'

- What is SAOL (Strategic, Agile Organizational Leadership)
- Articulate your story and your TRUE 'why'
- Discover your TRUE competencies, capabilities and talents
- Create your TRUE life SWOT based on realities
- Own your vision
- Develop strategies and milestones
- Create YOUR life map

DAY 2 | MASTERING 'YOU'

- Understand Organizational Health and Performance
- Optimize your leadership style
- Realize your 'superpowers' and 'leadership elephants'
- Conquer your 'panic zones'
- Develop communication competence
- Exude leadership presence
- Create your ideal brand
- Outline next steps and accountability

Learning Objectives

- Achieve personal and professional clarity regarding who you are and what you want
- Discover, cultivate and leverage core competencies, strengths and your unique "superpowers"
- Understand Organizational Dynamics and Health and how to achieve peak performance within your organization's culture
- Assess and grow your Emotional Intelligence to fulfill your leadership promise
- Create your Ideal Brand...Or others will do it for you
